☒ To modify the conditions of supervision as follows:

The defendant shall participate in a program of mental health treatment. The costs of treatment shall be paid by the defendant in an amount to be determined by the probation officer, based on ability to pay or availability of third-party payment.

CAUSE

On July 11, 2006, Blackshear advised this officer that she attempted suicide on July 6, 2006, by overdosing prescription pain killers. Blackshear reported that she is no longer suicidal, but depressed about her employment situation, bills, and her life in general. Blackshear had previously made an appointment with Gateway CSB, Brunswick; however, her appointment is not until August 4, 2006. Accordingly, our office recommends that the Court modify her conditions so that a referral to Chemical Dependency Counseling, Brunswick, can be made immediately.

Waiver of Hearing to Modify Conditions
of Probation/Supervised Release or Extend Term of Supervision

UNITED STATES DISTRICT COURT
for the
Brunswick Division

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By 'assistance of counsel', I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

The defendant shall participate in a program of mental health treatment. The costs of treatment shall be paid by the defendant in an amount to be determined by the probation officer based on ability to pay or availability of third-party payment.
